## Second Chances Newsletter

### A Message from Our Director, Rev. Paula Maiorano

#### Our Help Matters!

When a man or woman is released from prison, they return to us as a Delaware citizen, deserving of an opportunity for a future.

Our Second Chances Program joins the state and reentry community to help make this happen.

### A Big Thank You to Our Supporters

ACRL would like to thank everyone that donated this year, which allowed our organization to expand. We would also like to acknowledge our supportive mentors, at the core of our program. We couldn't grow without all of you.

"Kindness is the language which the deaf can hear and the blind can see."

We appreciate the work you do. Thank you!

### TWO PROGRAMS JOIN FOR MORE IMPACT

A Center for Relational Living, Second Chances Mentoring and Job Development Programs are integrating. This is being done to create a stable, effective transition for our participants. They would like to seek and gain employment in addition to being paired with a mentor to help guide them throughout the process of positive reentry.

In the past year ACRL modernized and came up with the program name Second Chances-in order to have an instant recognition between the organization and what we do here.

We give people a second chance!
